CORPORATE OBJECTIVES AND STRATEGIES

Our vision is to deliver value to our shareholders by:

- 1) creating exceptional customer experience,
- 2) augmenting our geographic reach in Canada and the United States,
- 3) expanding into new telecommunication market segments, and
- 4) mobilizing highly engaged teams through the following strategies:
 - Leveraging Internet superiority and video services
 - Emphasizing digitization of services for an enhanced customer experience and improved cost structure
 - Growing the business customer base and strategically extending the network to new service areas
 - Exploring a potential wireless service in Canada in a profitable manner and within our financial means
 - Investing in the development of our people
 - At Atlantic Broadband, driving superior adjusted EBITDA growth in the recently acquired MetroCast systems and building on initial successes in expanding the Florida market.

CANADIAN BROADBAND SERVICES SEGMENT

- Cogeco Connexion is the 2nd largest cable operator in Ontario and Québec with 786,000 Internet service customers.
- Offers Internet with speeds of up to 1 Gbps, video services and telephony services to primarily residential customers.
- Offers enhanced video services through its interactive TiVo multi-screen platform.
- Provides Business services to small and medium sized businesses. To grow market share, we are focusing our sales efforts on hosted PBX, ultra fast Internet connections and cloud-based managed Wi-Fi services.

AMERICAN BROADBAND SERVICES SEGMENT

- Atlantic Broadband is the 9th largest cable operator in the United States with 444,000 Internet service customers.
- Offers Internet with speeds of up to 1 Gbps, video services and telephony services to primarily residential customers.
- Offers enhanced video services through its TiVo platform.
- Provides Business services to small and medium sized businesses. We offer a broad product portfolio, including fiber based connectivity and hosted PBX phone offering.

SALE OF THE BUSINESS ICT⁽⁴⁾ SERVICES SEGMENT ON APRIL 30, 2019 – BENEFITS:

- Received net proceeds of \$720 million and realized a gain on disposal of \$82.4 million
- Now focused exclusively on the Canadian and US broadband segments
- Greater flexibility to pursue organic investment and acquisition opportunities

Note: This Fact Sheet, which includes non-IFRS financial measures, should be read in conjunction with the detailed disclosure contained in Cogeco Communications' 2018 annual report and 3rd quarter of fiscal 2019 shareholders' report.

- (1) Last twelve months ended May 31, 2019.
- (2) Non-IFRS financial measures: Adjusted EBITDA, capital intensity and free cash flow are non-IFRS measures and reconciliation to the most comparable IFRS measures can be found in Cogeco Communications' 2018 annual report and 3rd quarter of fiscal 2019 shareholders' report. Free cash flow excludes purchases of Spectrum licenses.
- (3) Enterprise value defined as market capitalisation plus indebtedness (as defined on page 3 of the 2018 annual report), less cash and cash equivalents and short-term investments.
- (4) ICT is defined as Information and Communications Technology.
- (5) FY2018 financial results include 8 months of the acquired MetroCast's financial results and were restated to comply with IFRS 15, to reflect a change in accounting policy with respect to reconnect costs as well as to reclassify results from the Business ICT services segment as discontinued operations. The changes in accounting policies are described on pages 42 to 50 of the 3rd quarter of fiscal 2019 shareholders' report.
- (6) Financial results in constant currency are non-IFRS measures. For the nine-month period ended May 31, 2019, the financials are translated at the actual average foreign exchange rate of the comparable period of fiscal 2018 which was 1.2664 USD/CND.
- (7) For the 9 months ended May 31.
- (8) Based on an annualized quarterly dividend of \$0.525 per share declared on October 31, 2018, January 10, 2019, April 9, 2019 and July 10, 2019. The dividend is subject to Board of Directors' approval on a quarterly basis and there is no assurance that it will remain at the current level.
- (9) Capital expenditures are defined as acquisitions of property, plant and equipment and exclude purchases of Spectrum licenses.
- (10) Fiscal 2018 financial results include \$94 million in profit from an income tax adjustment related to the United States tax reform.
- (11) Fiscal 2019 profit for the period includes a \$82.4 million gain on disposal of the Business ICT segment.
