

AUDIT COMMITTEE CHARTER

1. PURPOSE

Financial reporting and disclosure by Cogeco Inc. (the “Corporation”) represents a major aspect of the management of the Corporation’s global business and affairs.

The Board is responsible to oversee financial reporting and disclosure of the Corporation.

To assist the Board of Directors in its monitoring of the Corporation’s consolidated financial reporting and disclosure, the Board of Directors has established a committee of the Board of Directors known as the Audit Committee for the purpose of overseeing the accounting and financial reporting processes and audits of the consolidated financial statements of the Corporation.

The purpose of the Board of Directors’ oversight of the Corporation’s financial reporting and disclosure is to gain reasonable assurance, through the Audit Committee, that the following objectives are being met:

- (a) that the Corporation and its subsidiaries comply with all applicable laws, regulations, rules, policies and other requirements of governments, regulatory agencies and stock exchanges relating to financial reporting and disclosure;
- (b) that the accounting policies and practices, significant judgments and disclosures which underlie or are incorporated in the Corporation’s consolidated financial statements are the most appropriate in the prevailing circumstances;
- (c) that the Corporation’s quarterly and annual consolidated financial statements present fairly the Corporation’s financial position and performance in accordance with International Financial Reporting Standards (“IFRS”);
- (d) that there is an effective system of internal controls and that the evaluation and testing of the internal controls are appropriate to cover significant risks and are comprehensive, coordinated and cost effective; and
- (e) that financial information in public disclosure documents has been reviewed and that appropriate information concerning the financial position and performance of the Corporation is disseminated to the public in a timely manner.

Although the Audit Committee has the powers and responsibilities set forth in this Charter, the role of the Audit Committee is oversight. The members of the Audit Committee are not full-time employees of the Corporation and may or may not be accountants or auditors by profession and, in any event, do not serve in such capacity. Consequently, it is not the duty of the Audit Committee to conduct audits or to determine that the Corporation’s consolidated financial statements and disclosures are complete and accurate, and in accordance with IFRS and applicable rules and regulations. These are the responsibilities of senior Management, the External Auditors and other specialists retained by the Corporation.

2. COMPOSITION AND QUALIFICATION

The Audit Committee is appointed annually by the Board of Directors and consists of a minimum of three Directors from among the Directors of the Corporation. Every Audit Committee member must be independent, as defined in and in compliance with National Instrument 52-110 (“NI 52-110”) and subject to the independence exemptions provided for therein.

The members of the Audit Committee are appointed at the first meeting after the annual meeting of the shareholders, or at any other meeting if a vacancy arises. The Board of Directors appoints one of the members of the Audit Committee each year as its Chair.

Subject to the exemptions provided for in NI 52-110, all members of the Audit Committee should be “financially literate” and, as such, able to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breath and complexity of the issues that can reasonably be expected to be raised by the Corporation’s consolidated financial statements.

In contributing to the Audit Committee’s discharging of its duties under this mandate, each member of the Audit Committee shall be entitled to rely in good faith upon:

- (a) Consolidated financial statements of the Corporation represented to him or her by the President and Chief Executive Officer (“President and CEO”) or Senior Vice President and Chief Financial Officer (“CFO”) of the Corporation or in a written report of the External Auditors to present fairly the consolidated financial position of the Corporation in accordance with IFRS; and
- (b) any report of a lawyer, accountant, engineer, appraiser or other person whose profession lends credibility to a statement made by any such person.

In contributing to the Audit Committee’s discharging of its duties under this mandate, each member of the Audit Committee shall be obliged only to exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances. Nothing in this mandate is intended, or may be construed, to impose on any member of the Audit Committee a standard of care or diligence that is in any way more onerous or extensive than the standard to which all members of the Board of Directors are subject. The essence of the Audit Committee’s duties is monitoring and reviewing to gain reasonable assurance (but not to ensure) that the fundamental accounting and reporting activities are being conducted effectively, that the financial reporting and disclosure objectives are being met and that a proper system of internal controls is in place, so as to report accordingly to the Board of Directors. These duties extend to evaluating and, where appropriate, recommending replacement of the External Auditors.

3. OPERATING PRINCIPLES AND GUIDELINES

The Audit Committee fulfills its responsibilities within the context of the following principles and guidelines:

- (a) The Committee Chair and the other Audit Committee members have direct, open and frank communications throughout the year with senior Management, other committee chairs and Board members, the External Auditors, the Vice President, Internal Audit and Risk Management and other key committee advisors as applicable.

The Committee expects that written materials will be received from senior Management, the Vice President, Internal Audit and Risk Management and the External Auditors and posted on the electronic portal of the Corporation one week in advance of meeting dates for all the topics on the agenda.
- (f) The External Auditor's ultimate responsibility is to the Board of Directors through the Audit Committee, as representatives of the shareholders. The External Auditors must report directly to the Audit Committee.
- (g) The Committee may, in addition to the External Auditors, at the expense of the Corporation and after consultation with senior Management, engage independent counsel or other advisors, which the Committee determines are necessary to carry out its duties.
- (h) At each regular scheduled meeting of the Committee, the Committee members meet in private sessions among themselves only; with the External Auditors only; with the Vice President, Internal Audit and Risk Management only and with representatives of senior Management only.
- (i) The Committee, through its Chair, reports after each Committee meeting to the Board of Directors at its next regular meeting or earlier if required.
- (j) The Audit Committee meets at least four times per year on a quarterly basis and holds special meetings as circumstances require. The timing of the meetings, and calling of and procedure at meetings, are determined by the Committee, provided that:
 - (i) at all Audit Committee meetings a majority of the members shall constitute a quorum; and
 - (ii) the acts of the Audit Committee at a duly constituted meeting require no more than the vote of a majority of the members present and that, in any circumstances, a resolution or other instrument in writing signed by all members of the Audit Committee shall avail as the act of the Audit Committee.

The CFO of the Corporation, the Vice President, Internal Audit and Risk Management of the Corporation, the Vice President, Corporate Controller of the Corporation and the External Auditors usually attend all Audit Committee meetings.
