By participating online, you will be able to view a live video webcast of the meeting, ask questions during the meeting and submit your votes in real time, provided that you are connected to the internet.

As usual, you may also provide voting instructions before the meeting by completing the proxy or voting information form that has been provided to you. Please refer to the "Attending and voting at the meeting" section in the circular for further details.

Important Notice for Non-Registered Holders:
