

Cogeco Announces the Launch of a Normal Course Issuer Bid

Montréal, January 16, 2023 – Cogeco Inc. (the "Corporation" or "Cogeco") (TSX: CGO) announces that the Toronto Stock Exchange (the "TSX") has accepted its notice of intention for a normal course issuer bid in respect of its Subordinate Voting Shares (the "Subordinate Shares"). Purchases pursuant to the notice will not commence prior to January 18, 2023 and will not continue beyond January 17, 2024.

The notice will enable Cogeco to acquire up to 325,000 Subordinate Shares for cancellation, representing approximately 2.3% of the 14,138,636 Subordinated Shares outstanding as at January 4, 2023.

Cogeco believes that from time to time, the purchase of its Subordinate Shares under the normal course issuer bid is an appropriate and desirable use of available cash to increase shareholder value and that it provides additional investment returns to its shareholders.

All purchases will be conducted through the facilities of the TSX or Canadian alternative trading systems, if eligible, and will conform to their regulations. Purchases under the normal course issuer bid will be made by means of open market transactions.

Under TSX rules, the Corporation will be allowed to purchase daily, through the facilities of the TSX, a maximum of 3,624 Subordinate Shares representing 25% of the average daily trading volume, as calculated per the TSX rules. In addition, the Corporation may make, once per week, a block purchase (as such term is defined in the TSX Company Manual) of Subordinate Shares not directly or indirectly owned by insiders of the Corporation, in accordance with TSX rules. The Subordinate Shares purchased pursuant to the normal course issuer bid will be cancelled.

The price to be paid by the Corporation for any Subordinate Share will be the market price at the time of acquisition, plus brokerage fees where applicable.

The Corporation has also entered into an automatic share purchase plan with a designated broker to allow for the purchase of Subordinate Shares under the normal course issuer bid at times when the

Corporation would ordinarily not be permitted to purchase shares due to regulatory restrictions or self-imposed blackout periods.

Under its current normal course issuer bid that commenced on January 18, 2022 and will end on January 17, 2023, Cogeco received the approval of the TSX to purchase for cancellation a maximum of 325,000 Subordinate Shares. During the period from January 18, 2022 to January 4, 2023 inclusively, Cogeco purchased through the facilities of the TSX and Canadian alternative trading systems a total of 261,902 Subordinate Shares at a weighted average price per Subordinate Share of \$75.07.
